Continuing Leader Intern Application 2018
For Educational Assistance in India**

This form is for use only by students who have received a Leader Intern scholarship from the Brackett Foundation in 2017. New applicants must use the New Leader Intern Application 2018 available online at <http://www.brackettfund.org/forms/IndNewApp14.pdf>. Students may also request an application form from your Brackett Foundation contact, or by emailing Pi Partei at brackettindia@gmail.com.

A completed scholarship application consists of three parts:

- 1. This application form.** Please legibly complete all applicable questions below. Attach your two statements (topics given on page 2) and most recent mark sheet to this application form. Please submit these to your Brackett Foundation contact, either in person or scanned and sent by email. The deadline for this is 2 March 2018.
- 2. An interview.** After you have submitted your application form, speak to your Brackett Foundation contact to arrange a time and place for your interview. Most interviews will be conducted in Aizawl between 4-13 March 2018. If you have not already submitted your application form to your contact, please bring it to your interview. The purpose of the interview is to discuss your progress, difficulties, future plans, and to answer any questions you may have.

In exceptional cases where the standard interview would impose undue hardship or expense, you may meet the interview requirement by a) meeting with your Brackett Foundation contact in Aizawl at a more convenient date, or b) completing an email interview with a Brackett Foundation volunteer as arranged by Pi Partei. The email interview consists of a minimum of three substantial email exchanges, and must be complete by 30 June 2018.

- 3. Evidence of successful completion of your previous semester.** This can be either in the form of an official mark sheet showing passing grades, or a statement from your Brackett Foundation contact, confirming that you have passed the current year. Send this information as soon as it is available.

You cannot be considered for a scholarship until you have completed all three parts of the application. All decisions will be made by 31 July 2018.
